## DECEMBER 2022

The FA and England Accredited Leagues have stepped up the RESPECT campaign across all levels of football.

All bad practice is being reported and disciplinary procedures are being carried through with bans and maximum fines being issued to players, coaches and Clubs to stamp out the ugly side of the game.

Please remember everyone at SAXONS has signed the Clubs Codes of Conduct covering Coaches, Players and ALL Spectators.

Club codes of conducts can be found on our website [www.rsfc.co.uk/club-downloads/](http://www.rsfc.co.uk/club-downloads/)

Parents / Carers why not sign up and complete The FAs FREE [Safeguarding & Awareness](#) course

**Keep it nice folks!**

We do only  
**positive.**  
**Respect**

**Lose RESPECT. Lose the GAME.**

**CHRISTMAS 2022**

## Christmas Party Season

is upon us!

U8s FRECAS, U12s FRECAS and U11s HYSEAS teams hit the ten pin bowling alley and U7s CWENS bounced off to Velocity for their Saxons Christmas treat.

Mentions for:

Anna (U8s) and Annabelle (U12s) for their high scores on the night.

U7s for their relentless bounceability. 😊

U11s Coach Rory who stuffed the Chairman out of sight in the adults bowl off.

## COACH DEVELOPMENT

Congratulations to SAXONS Coaches Stu Ward and Mark Nugent on passing their UEFA C (Level 2) assessments.

Chris Hicks & Dave Tringham have both been accepted onto the UEFA C course and will start later this year. Good luck lads!

Reminder that SAXONS CDPs are available for all of our coaches to progress – SAXONS minimum coaching requirement is the [Introduction to Football Coaching](#) course. Have you done it yet?
